UGANDA: THE ARTHUR AND ELISE SKIDMORE LEGACY PROJECT

The **main floor** houses a "Children's Church" for over 700 children on Sunday. As well, 200 of the most desperate of the children living in the surrounding slum now benefit from after school tutoring, a Saturday Kids' Club, supplemented school fees, and a Sunday feeding program. The schools in the slums that the sponsored children attend also benefit from the church sponsored "**Adopt a School**" program. The Makerere Church through the Arthur and Elsie Skidmore Legacy Project impacts several hundreds of children through this outreach.

PROJECT COMPLETED

Thanks to the generous investment from CCI partners, this project has been completed!

With the construction complete, the facility is home to many events and programs including the Saturday Kids' Club.
