CURRENT PROJECTS IN HAITI

PROJECT: La Baie Primary School
LOCATION: La Baie, Northwest Haiti
REGISTERED CHILDREN: 27

Although there is a small number of sponsored children here, CCI provides a feeding program for over 200 children, 4 days a week.

Cost to feed 200 children for one month:
\$2.20 per child per month = \$440 per month

PROJECT: Ecole Evangélique Baptiste Siloé de Vion
(Siloam Evangelical Baptist School of Vion)
LOCATION: Vion, Northwest Haiti
REGISTERED CHILDREN: 85

This school has been completely retrofitted with seismic upgrades. Solar power has been installed. Water tanks are planned to provide safe drinking water for the students at the school and a feeding program is needed to supplement their lack of daily food.

Cost to complete the water tanks project:
\$1,500
Cost to feed 250 children a daily nutritious meal: \$1.60 per child per month = \$400 per month

PROJECT: Ecole Evangélique Baptiste Bethesda de Moulin
(Bethesda Evangelical Baptist School of Moulin)
LOCATION: Moulin, Northwest Haiti
REGISTERED CHILDREN: 50-100 (in progress)

Funds have been provided to retrofit this school. This summer, CCI will be registering at least 50 children in this school for sponsorship.

Cost for the water tanks needed to provide safe drinking water and school upgrades (solar power, benches, desks, school supplies): \$5,000

ChildCare INTERNATIONAL

CURRENT PROJECTS IN HAITI

PROJECT: Institution Mixte "Les Frères Nau" de Poteau
LOCATION: Poteau, Haiti
REGISTERED CHILDREN: 9

CCI is partnering with Helping Hands Haiti, a U.S. based charity to support the programs of CFNE, a Haitian charity based in Poteau. A need that has been expressed is to expand the school library to become a centre for faith-based education in and around Poteau.

Cost to contribute towards the expansion of the library: \$2,500

PROJECT: Institution Mixte "Les Frères Nau" de Cahoball
LOCATION: Cahoball, Haiti
REGISTERED CHILDREN: 49 (a further 50 to be registered in 2016)

Plans are underway to build 2 four classroom school blocks plus water tanks for each building.

Cost to complete one 4-room school block: \$62,000 (2 to be built: \$124,000)
Cost to build water tanks for each school building: \$2,500

PROJECT: La Grange Primary School & Clinic
LOCATION: La Grange, Haiti
REGISTERED CHILDREN: 78

We need to continue to raise funds for maintaining the medical clinic and feeding of over 250 children daily.

Cost to maintain the medical clinic: \$175 per month
Cost to sustain the feeding program: \$1.80 per child per month = \$450 per month

ChildCare INTERNATIONAL

CURRENT PROJECTS IN HAITI

PROJECT: Mephisophet Special Needs Home
LOCATION: Port au Prince, Haiti
REGISTERED CHILDREN: 7

Although in Haiti almost 10% of the population have some form of disability, hardly any services exist to meet their special needs. Mephibosheth is home to 23 special needs children and young adults. Please consider sponsoring one of our "Special Ones" and becoming a part of our team in providing for their needs.

Cost to meet the actual support costs of the children: $7 \times \$55 = \385 per month)
