

ChildCare INTERNATIONAL

CCI Haiti Relief Fund

Background

On October 4, 2016, Hurricane rocked Haiti with 233 km per hour winds and very heavy rains. Currently supports 10

projects in Haiti. It has been reported that 9 of our 10 supported projects sustained mild to severe damage. We are pleased to report that all of our supported schools survived the hurricane with very minor damage. However, the families and guardians of our sponsored children did not fare as well. There has been wide spread loss of livestock and damage to homes.

The need

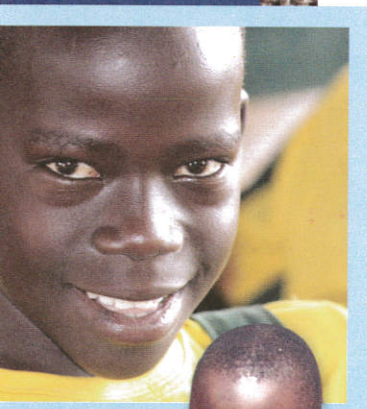

Funds are needed immediately to repair homes, provide emergency supplies and food relief. As well, to prevent another cholera outbreak, we need ensure that our children and

their families have access to safe drinking water.

CCI Response

CCI has set a goal to raise \$20,000 to assist 9 school projects that are currently being supported by CCI with much needed medical supplies, food assistance, home repair and other access to safe drinking water.

HAITI PARTNERS

- ODRINHO
- CFNE
- MISSION OF GRACE
- PORT AU PRINCE
